

Should cars be banned?

Abridge Academy debating curriculum

Bullet point arguments:

Agree	Disagree
• (Example) Cars make air pollution, which causes breathing problems.	• (Example) Cars are necessary for transporting heavy shopping.

Are these arguments for or against banning cars?

Many places don't have convenient public transport.	
Cars cause traffic jams.	
Trains are too expensive for large families.	

Write a counterargument:

We can walk, ride a bike, or take public transport instead.

It is difficult to take heavy shopping on public transport.

Prepare your own argument either for or against "Should cars be banned?"
